

Should we adopt By-Law XXI

Please Check Yes _____

No _____

Add the following additional bylaw to deal with Non-payment of water bill/dues

ARTICLE XXI
NON-PAYMENT

If a member is overdue by 1 year on paying their entire water bill, then the board is enjoined to file a lien on the property with the county of Plumas. The lien shall include the amount owed, plus collection fees, plus an annual \$100 service fee. Further-more, if the member is two years overdue the directors are enjoined to shut off service and/or disconnect the property from the water main. To restore water service all past due fees, including time service is disconnected, must be completely paid in full.
